

Mission Statement

YAC exists to encourage and empower young people to make a difference in their community and be involved in Local Government activities and decision making.

Aims

- 1) Promote a positive image of young people;
- 2) Promote youth participation in local government and the community;
- 3) Seek the views, ideas and aspirations of young people and provide a 'youth voice' to Council and the community;
- 4) Encourage the inclusion of young people in the development and implementation of Council strategy, planning and policy;
- 5) Increase and maintain communication exchange between young people, Council and the Community;
- 6) Act as advocates for local youth issues and contribute to broader community issues;
- 7) Provide young people with the opportunity to develop skills for life and learn about local government.
