Youth Advisory Committee

If you are a young person between the ages of 12 and 25 years, passionate about issues affecting young people, would like to have your say about what's important to you and other young people and would like to make a difference in your community then Marion's Youth Advisory Committee (YAC) is the place to start.

YAC meets on a monthly basis, from 6pm until 8pm at the Marion Council Chambers, 245 Sturt Road, Sturt. YAC is open to all young people between the ages of 12 and 25 years and offers a variety of activities for young people to have their say and be heard.

YAC is also a great way to meet new friends and learn some new skills. Training is provided throughout the year in areas such as public speaking, event management, meeting procedures and working with the media. From time to time YAC members can also take advantage of training being offered through the Office for Youth.

YAC's mission is to consult with and act as a voice for the diversity of youth, and to encourage and empower the young community.

If you would like to receive information about YAC and be kept up to date with what is happening but don't wish to attend meetings, contact the YAC co-ordinator on 8375 6879 or email yac@marion.sa.gov.au and leave your details.
