GENERAL CONDITIONS OF LICENCE

Indemnification

The licensee agrees to indemnify and to keep indemnified, and to hold harmless, the Council, its servants and agents and each of them from and against all actions, costs, claims, demands, charges and expenses whatsoever which may be brought or made or claimed against them or any of them in relation to the granting of this licence.

Public Risk Insurance

The owner of the item (miniskip or container) to be placed on Council land shall take out and keep current a public liability / risk insurance policy insuring for the minimum sum of ten million (\$10,000,000) all actions, costs, claims, damages, charges and expenses whatsoever which may be brought or made or claimed against the licence in relation to the granting of this licence.

Disclosure and Evidence of Policy

The licensee shall not commence the activity until evidence of such public risk insurance policy is given to the Council. Such policy shall bear the endorsement of the Insurer indicating the Insurer accepts the indemnity given by the licensee.

Licence not Transferable

The licence is not transferable.

Compliance with Requirements

The licence shall comply with all notices required by any Act of Parliament, ordinance, regulation or by-law relating to the use of the licence.

Security of Area

The licensee shall ensure that the area is adequately lit at night and that all appropriate barriers, barricades and warning devices are installed to protect the public.

Removal of Container / Rubbish

No object, material, matter or other thing shall extend outside of the rubbish container or approval area as indicated in this licence. The rubbish container and all rubbish, matter, material or thing shall be removed by the expiry date and the area shall be left clean and tidy.

Damage and Repairs

The licensee shall be responsible for all repairs, damage or rectification work, to any footpath, road, service or other Council's property resulting from the issuing of this licence.

Revoking of Licence

This licence may be revoked by Council if the licensee fails to comply with, a condition of this licence, a direction of Council or any other justifiable circumstances.

Inspection of Site

A Council Officer may need to inspect the proposed site to identify an appropriate location for the container / deposited materials before approval can be given.

Arterial Roads

Approval is required from the Department of Transport if the container / deposited materials is to be placed on roads under their control, i.e. arterial roads.

Please note: Once the form has been completed and submitted to Council, a Council Officer will inspect the site and assess the application
