

CITY OF MARION

Fees & Charges Schedule 2026-2027

FEES AND CHARGES SUMMARY 2026-2027

The 2026-2027 fees and charges are to be set in accordance with Council Policy in relation to user pays principles. The policy directs that Council will levy fees and charges for goods and services on a user pays basis and, where possible to recover the full cost of operating or providing the service or goods. Where it can be demonstrated that members of the community are unable to meet the full cost, concessions may apply.

User charges and statutory fees play a vital role in enabling Council to provide a range of specific services and community facilities.

The statutory fees and charges listed may be amended at any time during the financial year. The Fees and Charges Schedule will be updated as statutory charges are amended.

The relevant Divisions have been consulted in relation to the proposed fees and charges and the following factors have been examined when determining the proposed fees:

- the cost of providing the service, inclusive of overhead costs
- the importance of the service to the community
- market comparison of fees and pricing structures with other enterprises who offer a similar service
- the level of service/facility provided by the City of Marion
- increase in statutory charges set by regulation

<i>Routine inspection fees will not be imposed upon Community or Charitable Organisations*** or School and Educational Institutions****</i>	

*** Community or Charitable Organisations defined as any group, club or organisation that provides a community benefit and not for the personal financial gain of an individual person or group of people. Examples include Rotary, Lions, church groups, community sporting clubs and scouting groups. To determine if an organisation fits this category, an Australian Taxation Office certificate of 'Endorsement as a Tax Concession Charity' may be requested.

**** School and Educational Institutions defined as a canteen or out of school hours care service (OSHC) in schools and educational institutions, not including facilities providing catering services of commercial concern or for profit.
