MARION CULTURAL CENTRE

## A space for any occasion

The Marion Cultural Centre is an events hub, a unique venue within reach of local businesses and communities in the inner south that caters for theatrical, corporate, private and school functions.

The Centre is designed to be a vibrant public place where people can come to meet and relax. The building design is driven by the spirit of education. The Centre was commissioned to create a new generation cultural complex. It aims to encourage and sustain the local arts community by creating something that has a sense of community and commitment to a positive future. The building reflects the public's commitment to the environment through an energy efficient and environmentally sensitive design.

The Marion Cultural Centre has a focus for the visual and performing arts however it offers a wide selection of first-class venues and flexible spaces designed with the needs of both community and corporate clients in mind. The Centre has adaptable and functional spaces that create a perfect environment for meetings, displays, seminars, workshops, presentations, functions and weddings, allowing the Centre to accommodate the full range of community needs.

## Domain Theatre

The Domain Theatre provides the Centre's 'performing arts' focus.

Contemporary, unique, adaptable and intimate, the modern, multi-purpose design of the Domain Theatre creates a wonderful sensory audience experience. Adaptable to a wide range of configurations, the Domain Theatre is ideal for events ranging from theatrical or musical performance to product launches, banquets, film screenings, seminars, meetings and conferences.

The Theatre floor can be arranged into different configurations, including a raised, modular stage, which, in conjunction with versatile seating arrangements, provides optimum flexibility for all types of performance. Internal finishes of sprung timber over a concrete slab and acoustic wall panelling make this multi-purpose theatre an excellent venue for a wide range of 'performance-based' activities. Subsidiary spaces, including a backstage area and rehearsal space, means the Domain Theatre can host a diverse range of activities.

## Domain Theatre – Performances

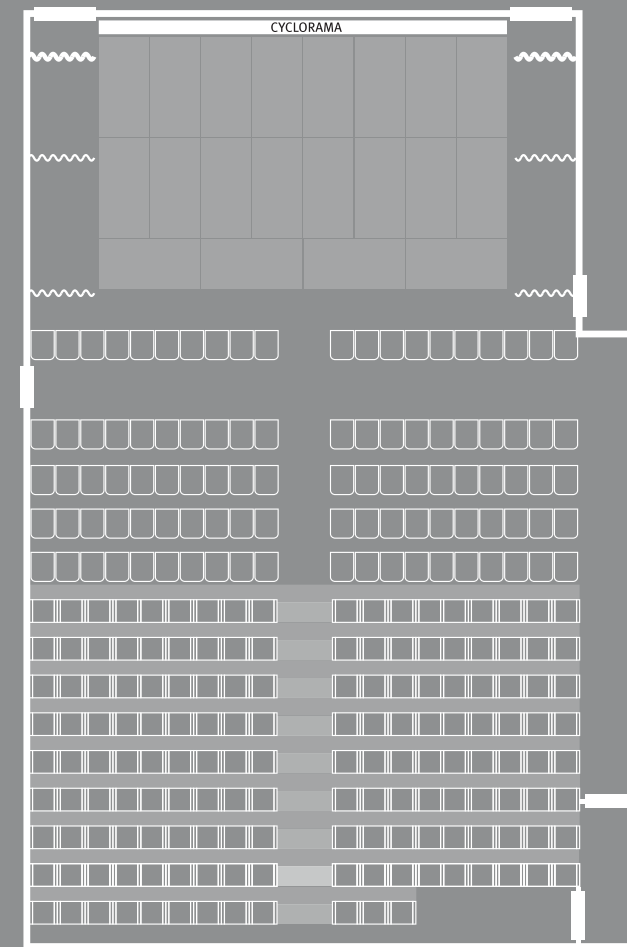

The Domain Theatre is an intimate performance space with unobstructed viewing for everyone in the audience. Its flexibility makes it ideal for all types of performance including, theatre, cabaret, comedy and dance.

The Theatre is fully equipped with performance quality audio and lighting systems. It has a fully retractable cinema screen which doubles as the cyclorama enabling it to be used for both movie projection and live performances. The optimum performance configuration is 255 audience with 8m x 5m stage area and 1m wing spaces. Hiring the Domain Theatre for performances includes access to our skilled theatre technicians at no additional cost.

The Green Room is also included in performance hire and can be divided into two small dressing rooms, both with direct access to backstage. The Green Room is equipped with basins, mirrors, cupboards and an iron for costumes. Box office and front of house services are also available, additional costs apply.

## Foyer

## Plaza

The foyer is a flexible, split-level, open space and the hub of the Centre's three other functional zones with links to the outside plaza space. It can operate as a main lobby/reception area, function/expo area, catering area with partial/full exposure to the plaza or performance area with the steps providing an informal amphitheatre.

The Plaza has been designed as a timeless contemporary space making for a flexible and inviting community gathering place. The two main elements of the Plaza, the undulating lawn and the band of paving slate that intersects the area, are a landscape interpretation of a creek bed flowing from the hills to the sea.

The Plaza is ideal for community markets and expos and offers high visibility within the Domain Precinct.
